

# How to "survive" Antique Week

by Pandora de Balthazar

1. Come and see Pandora at the Big Air-Conditioned Tent. Buy your European Sleep System Pillows (you will need them to rest at night after long day of shopping)
2. Go shopping. Pandora will give you great tips. This is her 19th Season.
3. Drink lots of fluids! Stop at Pandora for afternoon snack, wine and cheese, cool off under the A/C and get your FOOT MASSAGE!
4. Make shopping fun. Don't forget Margaritas & Monograms Monday at Pandora's tent and Wine tasting at Arbor Antiques on Tuesday.
5. While waiting to get in to Royer's Cafe or Scottie & Friends, come and shop across the street at Bybee Shopping Village. We are open late til 9pm.
